

About Our Workshops

Flood Fire students participate in daily master classes, small ensembles, flute choir, electives, and listen to faculty recitals. During the workshop students work on tone, articulation, vibrato, technique, breathing, stage presence, intonation, dealing with nerves, practice habits, Body Mapping, Alexander Technique, playing with an accompanist, and much more!

Master Class

Master Class is a performance and coaching session. Students perform 1-2 times during the week. Our outstanding faculty then guide students on ways to improve their playing and become better musicians. Students may audit the class if they prefer not to perform.

Recitals

Faculty recitals take place daily. Because our faculty are renowned performers and teachers, the concerts are inspiring! Students get to hear professional musicians performing at the highest level in an intimate setting. The Grand Finale concert featuring all Flood Fire students takes place on the last day. All concerts are free and open to the public.

Class Levels

Class and Ensemble assignments are based on information provided on the student's registration form. There are no auditions. Please answer all questions thoroughly when applying.
